Excelsior Scholars Program

The Excelsior Scholars Program is an advanced academic opportunity offered to select Archbishop Edward A. McCarthy High School students who have performed at an exceptional level.

The goals of the Excelsior Scholars Program are to enhance students' educational experiences and to prepare them for further study or careers after graduation, as well as to develop knowledgeable, motivated students. We believe that students who participate in the Excelsior Scholars Program should continually challenge their intellectual limits, and work creatively and earnestly to reach their highest potential as scholars and leaders.

How does an incoming 9th grader qualify for the Excelsior Scholars Program?

- Perform in the top 10% on the Archdiocese of Miami High School Entrance Exam
- Exceptional middle school grades
- 90% or above in TerraNova (or other standardized tests) in Math and English

What benefits will ESP provide?
